It Takes

a Team!

Do you see all the guys playing tug-of-war with the airplane in the picture above? Well it only took a few seconds for another MAF pilot and me to get it stuck in the mud at the end of the runway. But it took a whole bunch of us nearly half a day to get it back out again! Isn't that a great analogy for ministry? We can often get ourselves into quite a mess if we try to go it alone. God designed us to work most effectively as a team. And we are constantly reminded of this in Indonesia.

In Tarakan we're blessed to be working with a really awesome group of MAF families! The big team picture was taken at our annual conference in April. Check out all those kids! We're also blessed to work alongside a tremendous group of godly Indonesian men and women, both in our hangar, and out in the villages we serve. Men like the pastors and missionaries I'm standing with in the center picture, are teaching, preaching and reaching out to those who have yet to hear about Christ. What a privilege it is to be partnering with them in their ministries.

And then there's YOU! We constantly find ourselves thanking God for you. Whether it's through your prayers or financial gifts, we are so blessed to have you on our team! Without you, we couldn't be doing what we're doing! If we've said it once, we'll say it a thousand times...thanks for being on the team!

*Flying high in His strength,
Dave and Joy*

Over the past few months we've driven nearly 13,000 miles, pulling our little lady bug trailer through 23 states and sharing in a bunch of churches along the way. It's been a blast—you are such an encouragement to us! These last couple of months before we return to Indonesia will mostly be spent in the Oregon area. If you're going to be in our neck of the woods, please look us up. We'd love to get together.
