Prayer Corner

1. Pray that Kyle will fully adjust to his new school and classmates.
2. Pray that MAF-Haiti will get desperately needed security badges for several employees to access the airport ramp and hangar.
3. Thank you so much for partnering with us in prayer and financial support during 2009.

Immanuel

The words of Matthew 1:23 will forever awe me: "...and they will call him *Immanuel*—which means, 'God with us.'" Not only did God become man, but He also chose to be my friend and my Savior. What an amazing truth! The saddening part is that there are so many who have never experienced His love. In Haiti we have met many wonderful followers of Christ. We also see so many

who are hopeless in the desperate need that surrounds us. Pray with us for the nation of Haiti. The roots of the visible problems, such as homelessness, hunger, poverty, and spiritism, run deep, and the solutions will be extremely complex. The only lasting solution can come through a miraculous touch by God, just as the only solution to the mess we make of our lives is *Immanuel*, God with us.

...light has come into the world...

...and his name shall be called Immanuel... God with us.
