A CALL TO PRAYER

for Indonesia!

INDONESIA NEEDS OUR PRAYERS!

In Indonesia, we will hear the Islamic call to prayer five times a day (at dawn, mid-day, middle of the afternoon, just after sunset, and at night fall). When this prayer is heard, Muslims stop to pray, reciting prayers to Allah. These prayers consist of the core beliefs of Islam: Allah is the creator, and there is no power greater than him; he is divine; and Muhammad was his messenger.

When we're in Indonesia, this call to prayer will cause us to stop and pray too – only we will be praying for the Truth to set these people free from the lies and deception of Islam; for God to open their eyes to the Truth – that salvation is found in Christ alone! They desperately need Jesus! We invite you to pray with us for the people of Indonesia to know, love and worship the one true God – the God of the Bible.

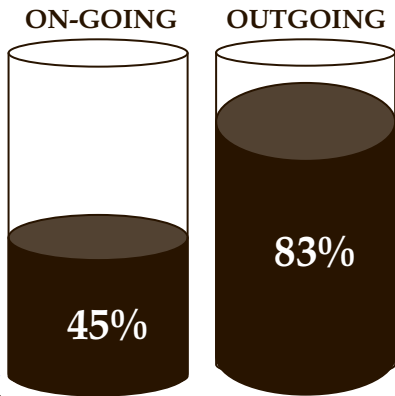

"This is eternal life, that they may know You, the only true God, and Jesus Christ whom You have sent." John 17:3

SUPPORT STATUS

"I am a fellow servant with you and your brothers who hold to the testimony of Jesus."

Revelations 9:10

Our prayer support: God has continued to grow our prayer team! There are now more than 170 of you who are praying for the Holy Spirit to transform the lives of the Indonesian people, and for God to use our family to serve them with humility and grace.

Our financial support: Our God is good! He is faithful and continues to provide! As you can see, our need is for on-going support. We cannot move forward without your help! Would you prayerfully consider partnering with us? Together, we can bring the truth and hope of Christ to this Muslim nation!

You ask...we answer!

(This section is for your most frequently asked questions!)

"When are you leaving for Indonesia?"

Our goal is to leave for Indonesia in early 2010!

"What needs to get done before you leave?"

Lots – 10 weeks of training at headquarters, visas, immunizations, packing, building crates, and MORE! Before all this, our ministry support levels need to be at least 60% by July 14 and then 90% by the beginning of October.

THE FAMILY

Despite the busyness in our lives right now, we still manage to find time to have fun and relax as a family. Catelyn is enjoying all her new friends and Ella is growing so fast!

Ella is smiling and laughing now!

Our first family trip to the beach!

Getting a flower placed in her hair!
